NEWS RELEASE

**** for immediate release ****

Contact: Mark R. Zimmerman, P.E./P.S.
Seneca County Engineer
419-447-1011

Date: May 14, 2024

Subject: **SEN-CR 62-12.51 Bridge Replacement**

The Seneca County Engineer's office announced that the bridge on County Road 62 over Green Creek, located approximately 0.12-mile west of Township Road 169 along the Seneca County/Sandusky County line, will be replaced this year. The existing structure, built in 1978, will be replaced with a 24-foot wide, 75-foot single-span, non-composite, prestressed concrete box beam structure.

Great Lakes Demolition Company, located in Clyde, Ohio was awarded the contract with a low bid of \$433,368.50. The County Engineer is using 100% Federal Highway funds to pay for this construction project.

The contractor is scheduled to close County Road 62 on Wednesday, May 15, 2024. The section of County Road 62 between Township Road 76 and Township Road 169 will be closed to through traffic for a maximum of 45 days. Work is scheduled to be completed in early July, 2024.
